

# Mission Statement

Since the 1960's, The Cranbrook Community Theatre Society has been cultivating, developing, engaging and inspiring the East Kootenays by producing theatrical works of the highest caliber.

We are also proud to contribute to the cultural heritage of Cranbrook as the stewards of the city owned heritage building, The Studio/Stage Door, ensuring its place, and that of the arts, in the East Kootenays for future generations.

## Mission Motto

Theatre for the community by the community.
